

M5D macinacaffè digitale

digital coffee grinder

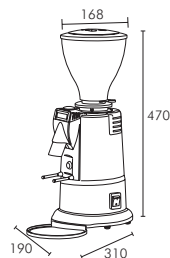

MACAP introduces a revolutionary 'espresso' coffee grinder that will lead the specialty coffee industry. The new MACAP DIGITAL coffee grinder enhances freshness by offering precise control over grinding time. With a simple turn of the rotary dial, the MACAP DIGITAL is

programmable to single dose, double dose, or continuous grind. MACAP's unique grinder encompasses a blue backlit display that enhances the barista's experience with easy programming of grinding times for each dose in five languages.
